Star of Mystery - 12"

South Pacific (1958)

Musicals are one genre of old movies that I really love. There were a whole run of them in the 1950's that are right on for everyone who loves retro. The most famous song from South Pacific is, "I'm Going To Wash That Man Right Out of My Hair." All I have to do is close my eyes and I can see the character "Nellie Forbish" belting it out. The new 'Flower Power,' 'Citrus Sunshine' and 'Blue Marine' collections from Island Batiks capture the South Pacific sun and fun we all dream about. These are fabrics you'll want to wash into your life, not out of it.
