Where the Buffalo Roam

www.avlyn.com

I've often dreamed of spending a week on a dude ranch, under the Big Sky of Wyoming or Colorado, dressed in my cowboy boots, chaps and ten gallon hat. I think doing that with children would be even more fun - to watch their eyes get big when they see a herd of buffalo or cattle grazing. If you can't squeeze that into your schedule this year, you can delight the children in your life with the Ranchero Collection from AvLyn Fabrics. You can pretend to saddle 'em up and ride the range with the delightful designs of Western imagery with a fun and whimsical style. I found the conchas, chili peppers and designer boots only part of the fun.
