HOME IMPROVEMENT -12"

It's time to finish those last-minute home repairs before those late summer weekend guests start showing up! A fresh coat of stain on the deck, a tightened bolt on the lawn chair -- get it done now and spend the rest of summer reaping the benefits of all your hard work! Robert Kaufman's Home Improvement fabric line gives power tools a touch of whimsy, and a Pinwheel block variation echoes the shape of the table saw blades.
