Sewing Directions: *(Seam allowance is 1/4" unless stated otherwise)*

1. Stitch the long sides, right sides together, of the 16" x 28" novelty print fabric, to make a tube. Press the raw edges of the open ends under 1/4" and turn again 1/2" and hem with a topstitch.

2. Turn tube right side out.

3. Fold a 3" x 30" pink dot print strip in half lengthwise, right sides together. Stitch on one short end and on the long edge. Turn the strip right side out and press. Turn in 1/4" on the open end and press. Blindstitch the open end closed. (Make 2 ties)

4. Stuff the large tube with fiberfill, leaving approximately 5" unfilled on both ends. Close each end with a tie, tying it into a bow.

Turn under 1/4" and
blindstitch closed.
