

Fabric Stash Blocks

Feb/Mar QUILT Magazine, Issue #86

PLEASE NOTE: This fabric stash block first appeared in the Feb/Mar 2008 issue of QUILT Magazine. Many fabrics have a shelf life of about 6 months to 1 year. These exact fabrics may not still be available for purchase. Take heart! Your favorite quilt shop can help you select suitable substitutes in colors and patterns that will work just as well to make this block.

DOUBLE WEDDING RING

This isn't your grandmother's Double Wedding Ring block! I've always loved the romantic symbolism of the motif, but I wanted to marry the traditional to the modern, so I chose an assortment of teal prints from Island Batik (www.islandbatik.com). When the blocks are arranged in rows to make a quilt top, the lightest colors really seem to pop off the surface.
