Stars & Stripes - 18"

Let's not forget "only" children. They spend a lot of time with adults and are sometimes called "little grown-ups." They are comfortable making decisions and are not afraid to stand by their opinions. They have a natural confidence that comes from being the center of attention. These batiks by Diamond Textiles exude a natural confidence. The colors are vivid and striking and the patterns make a strong statement. This batik quilt block, like only children, has to be the star.
