MAKING THE QUILT

1. Referring to the quilt photo for strip order, lay out the various 28-1/2" strips of fabric. Sew the strips together to complete the quilt center.
2. Sew 1-1/4" x 42" brown check strips to opposite sides of the quilt, press, and trim excess. Sew the remaining brown check strips to the top and bottom of the quilt, press, and trim excess.
3. Sew the (4) 2-1/2" x 42" lime/red floral strips short ends together into one long strip. Measure the quilt lengthwise across the middle and cut (2) strips to that length. Sew the strips to opposite sides of the quilt. Measure the quilt widthwise across the middle, including the borders just added, and cut (2) strips to that length. Sew the strips to the top and bottom of the quilt.
4. In the same way, sew the (5) 3-1/2" x 42" red/pink dot strips short ends together into one long strip and add side and top/bottom borders.

FINISHING

Layer the quilt top with the backing and batting and quilt as desired. Use the 2-1/4" x 42" red/pink dot strips to bind the quilt.
