2. Sew the 4-1/2" x 16-1/2" large dot strips to the short sides of the pillow top. Sew the 4-1/2" x 32-1/2" large dot strips to the top and bottom.

### Finishing:

Layer the quilted pillow top right sides together with the (2) large dot pieces overlapped, matching raw edges. Stitch around the pillow, 1/4" from the edge.

3. Turn right side out and stitch around the pillow approximately 2" in from the outer edge to create a flange.

# Petal Pillow

10" square

## Materials You Will Need:

5/8 yard of a brown dot  
1/4 yard each of a pink tonal, pink small floral,  
cream dot, and cream small floral

## Cutting Directions:

From the Brown Dot, cut:  
(2) 2-1/2" squares, then cut diagonally in half once to  
make (4) triangles  
(2) 2-1/4" x 42" strips  
(2) 10-1/2" x 16-1/2" pieces

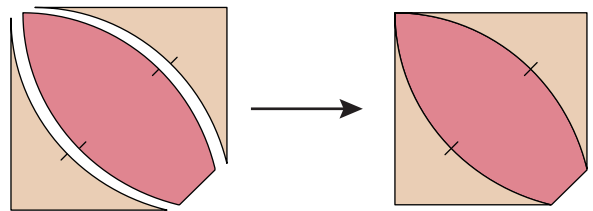

From each of the Pink Tonal and Pink Small Floral, cut:  
(2) of Template A

From each of the Cream Dot and Cream Small Floral, cut:  
(2) of Template B and (2) of Template B Reverse

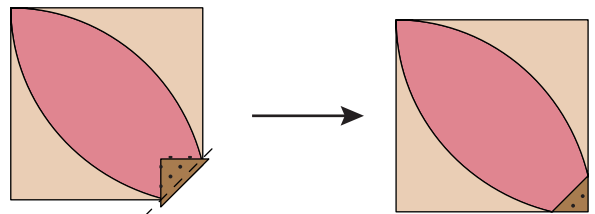

## Sewing Directions: *(Seam allowance is 1/4" unless stated otherwise)*

### Making the Pillow Top:

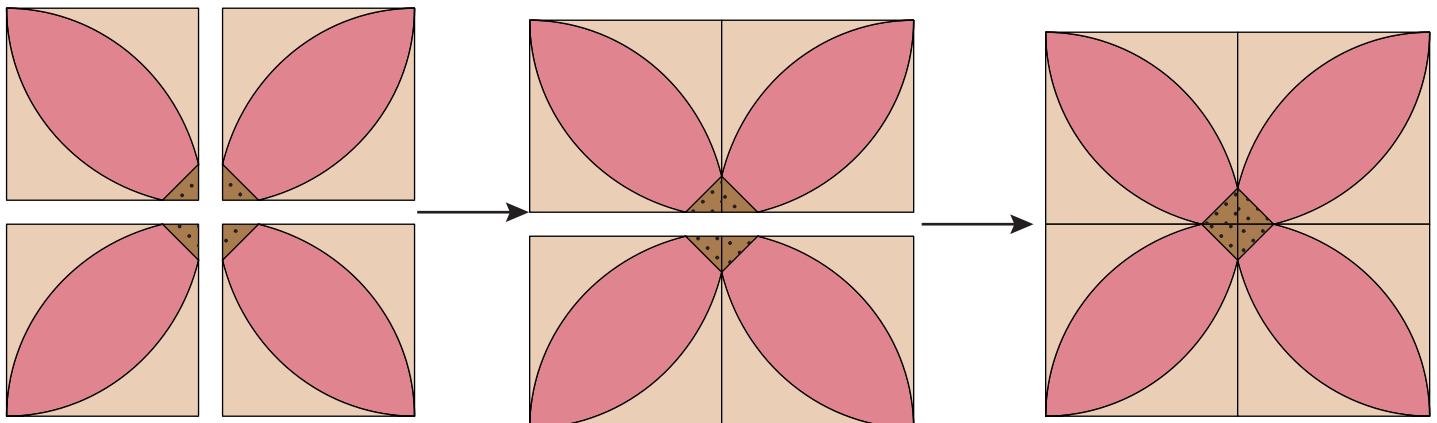

1. Match notches at center of petal (Template A) and background piece (Template B) and pin, then match up one end and sew with petal fabric on the bottom. Gently ease along to the pin without stretching and then continue sewing to the opposite end. Without pressing, sew the matching background piece in reverse the same way, finger pressing the seam allowance in toward petal. Make a total of (4) petal units.

2. Lay a brown dot triangle along the corner of a petal unit as shown. To reduce distortion or stretching of block, use a press pad and pin block, wrong side up, at the corners keeping it at 8-1/2". Gently press side seams in toward petal. Press corner seam open. Remove pins, turn over and press again on right side. Add triangles to all (4) petal units.

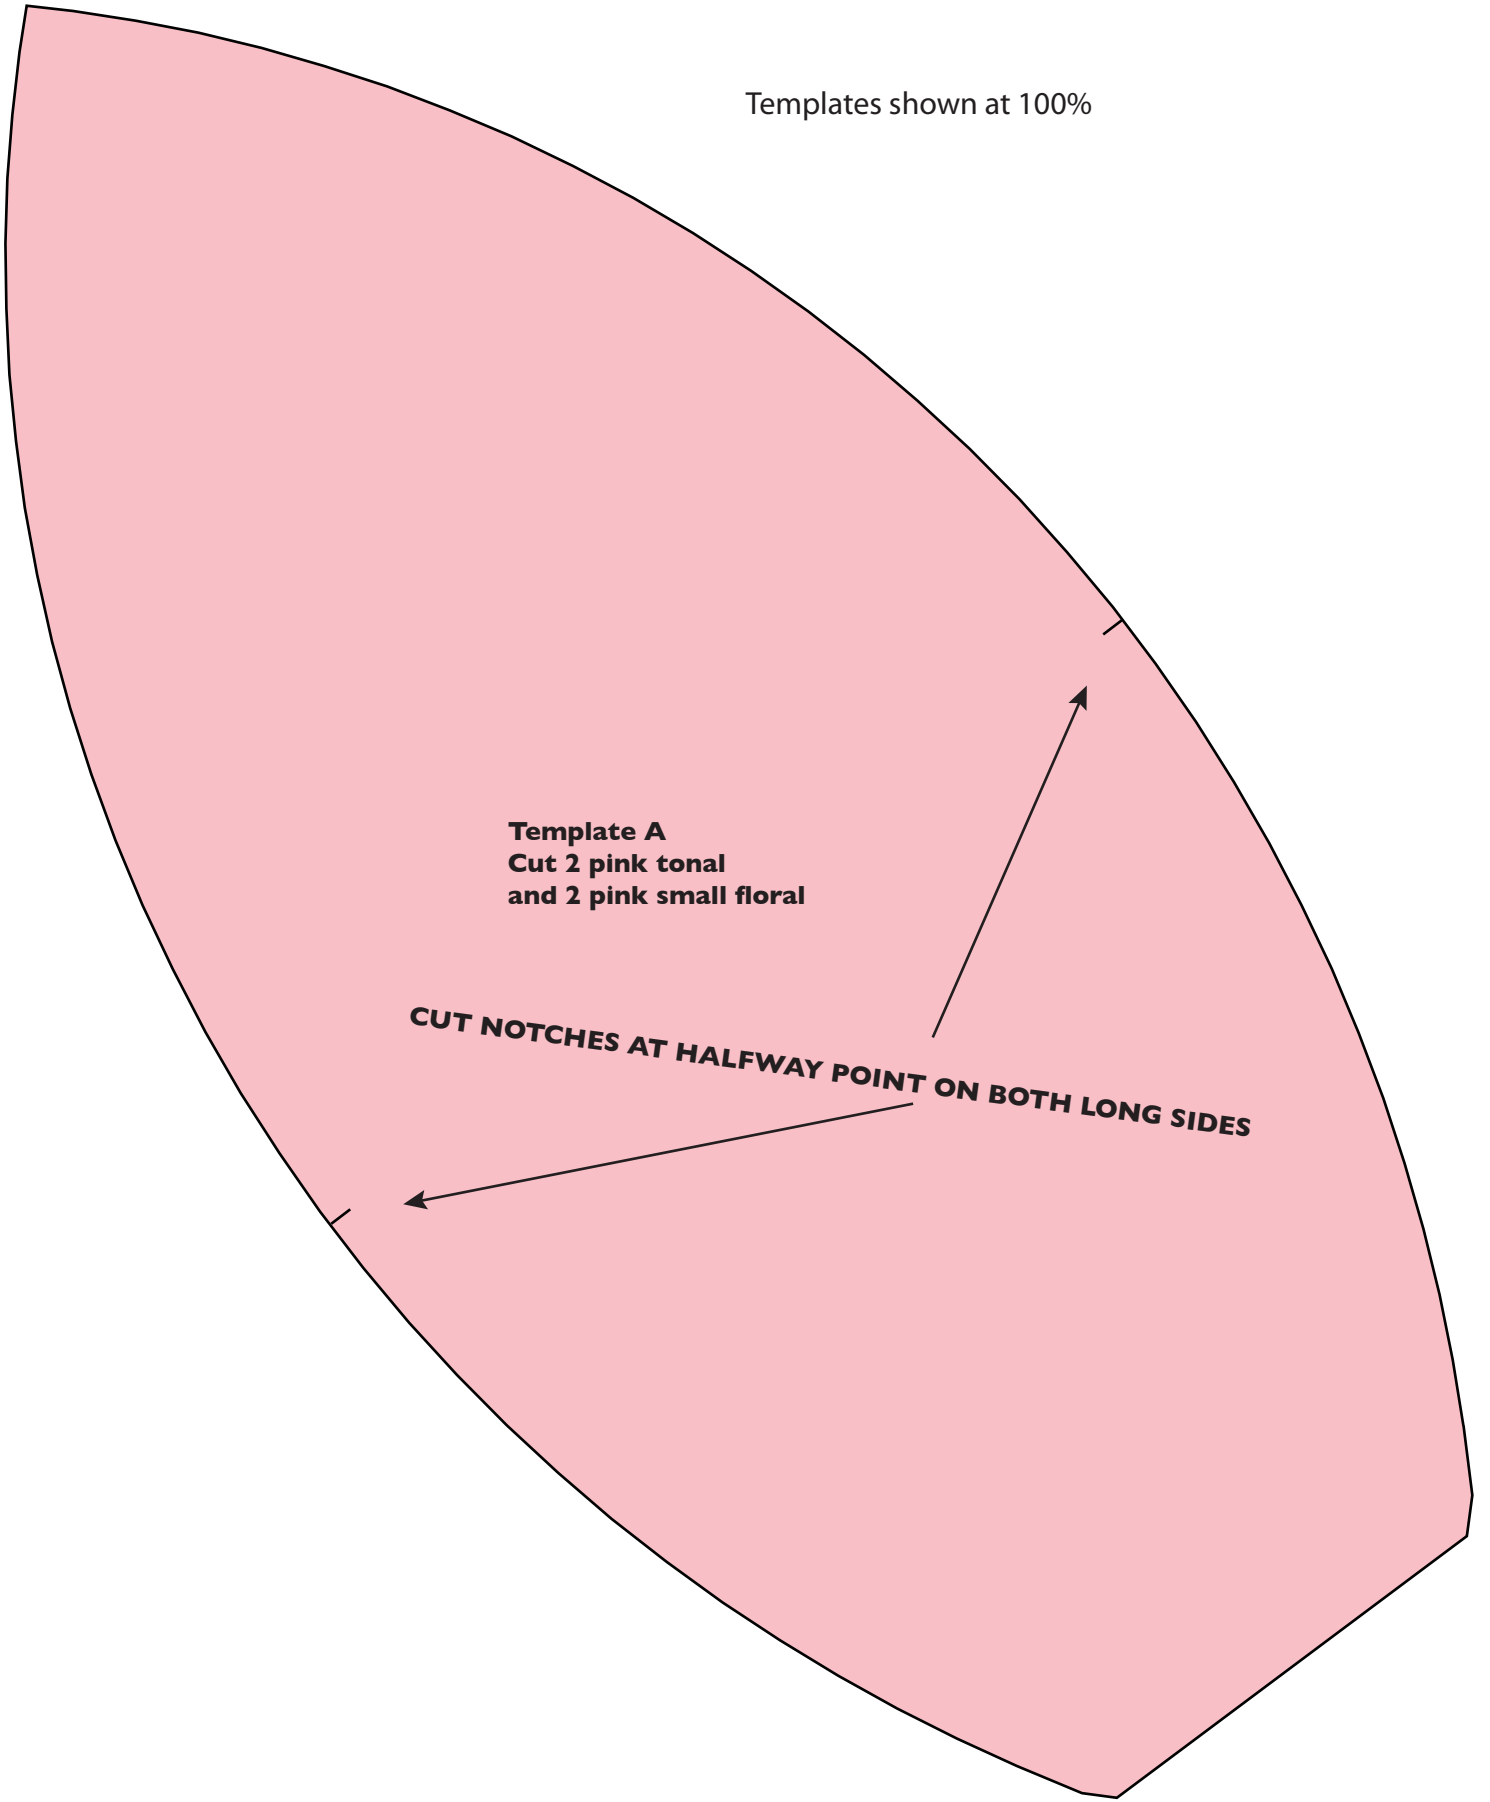

3. Sew (4) petal units together, alternating color combinations and arranging so brown dot corners meet in the middle of the block.
