

Market Blossoms Wall Hanging

“Market Blossoms” quilt patterned in
Dec/Jan 2010 issue of QUILT Magazine

(36" square)

Web Bonus pattern for wall hanging by
Nancy Rink

From the Spice Market collection by Deb Mosa for
Exclusively Quilters Fabrics, www.classiccottons.com

Materials You Will Need:

2/3 yard of butter cream tonal
1/3 yard of black floral
3/8 yard of green tonal
Fat Quarter of red plaid
5/8 yard of red tonal
5/8 yard of multi-stripe print
1-1/4 yards of backing fabric
40" square of batting

Cutting Directions:

From the butter cream tonal, cut:

- (1) 12-1/2" square
- (4) 7-1/2" squares
- (2) 8-1/4" squares, then cut in half
diagonally twice to make (8) triangles

From the black floral, cut:

- (2) 8-1/4" squares, then cut in half
diagonally twice to make (8) triangles
- (4) Pattern C (Flower Petal)
- (4) Pattern E (Diamond)

From the green tonal, cut:

- (1) 1-1/2" x 42" strip (stems)
- (4) 5-1/2" squares
- (4) 3-1/2" squares (border two)
- (4) Pattern D (Flower Base)
- (8) Pattern F (Leaf)

From the red plaid, cut:

- (2) 8-1/4" squares, then cut in half
diagonally twice to make (8) triangles
- (8) Pattern B (Flower Petal)
- (1) Pattern G (Circle)

From the red tonal, cut:

- (2) 1-1/2" x 28-1/2" strips (border one)
- (2) 1-1/2" x 30-1/2" strips (border one)
- (4) 2-1/4" x 42" strips (binding)
- (4) Pattern A (Flower petal)

From the multi-stripe, cut:

- (2) 1-1/2" x 12-1/2" strips (block frame)
- (2) 1-1/2" x 14-1/2" strips (block frame)
- (4) 3-1/2" x 30-1/2" strips (border two)

Sewing Directions: *(Seam allowance is 1/4" unless stated otherwise)*

Appliqué Blocks

(Note: Patterns and instructions are given using the fusible appliqué method. For needle-turn method, add seam allowance to patterns.)

1. Appliqué Preparation

Prepare appliqué patches using the method of your choice. In the quilt shown, appliqué patches were prepared using the freezer paper and starch method, then stitched in place by hand. Patches can also be secured in place using a tiny zigzag stitch and monofilament thread.

To create the stems, fold the green tonal scroll 1-1/2" wide strip in half lengthwise, wrong sides together. Stitch a scant 1/4" seam from the raw edge. Press tube flat, pressing seam to one side; trim seam allowance if necessary. Cut into (4) 4" segments.

2. Assembling the Appliqué Block

Fold and press buttercream scroll tonal 12-1/2" square vertically, horizontally, and diagonally to create placement guides. Place stems on the diagonal crease, approximately 3/8" from the block's center. Stitch in place.

Appliqué remaining shapes in alphabetical order. Note: the green flower bases should overlap the stems approximately 1/2"; the points of the black floral E diamonds should be positioned 1/2" from the block center.

Press block from the wrong side. Sew 1 1/2" x 12-1/2" stripe strips to sides of appliqué block. Press seams toward striped fabric. Add the 1-1/2' x 14-1/2" strips to the top and bottom, pressing seams toward stripe fabric.

Borders

1. First Border

Sew together buttercream scroll tonal triangles and green scroll tonal 5 -1/2" squares as shown. Press seams toward green squares. Repeat to make a total of four.

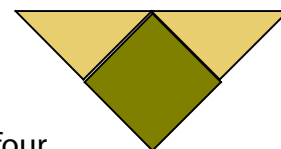

Diagram I

Sew the black floral triangles to the red plaid triangles as shown. Press seams toward the black print fabric. Make a total of four left units, and four right units.

left

right

Diagram II

Join units together as shown. Make a total of four. Paying careful attention to the orientation of the borders, sew a border to each side of the center appliqué block. Sew a buttercream scroll tonal 7-1/2" square to each end of the two remaining borders. Press seams toward buttercream squares. Sew these to the top and bottom of quilt. The borders should create a star around the center appliqué block.

2. Second Border

Sew the (2) 1-1/2" x 28-1/2" red scroll tonal strips to the sides of the quilt and the (2) 1-1/2" x 30-1/2" strips to the top and bottom of the quilt, pressing seams toward the red border.

3. Third Border

Sew (2) 3-1/2" x 30-1/2" strips to the sides of the quilt. Stitch (2) 3-1/2" green scroll tonal squares to each end of the remaining strip borders. Press seams toward green squares. Sew borders to the top and bottom of the quilt.

Finishing

Refer to the General Directions for backing, quilting, and binding; use the (4) 2-1/2" x 42" red scroll tonal strips for the binding.
