Materials You Will Need:

- 1/2 yard each of a black floral, a green dot and a blue dot
- 7/8 yard of a black stripe
- 24" x 32" dog bed insert

Cutting Directions:

BLACK FLORAL

(1) 14" x 42" strip; recut into (2) 14" x 18" pieces

FROM EACH OF THE GREEN DOT AND BLUE DOT

(1) 14" x 42" strip; recut into (1) 14" x 18" piece

BLACK STRIPE

(1) 26" x 42" strip; recut into (2) 21" x 26" pieces

Sewing Directions:

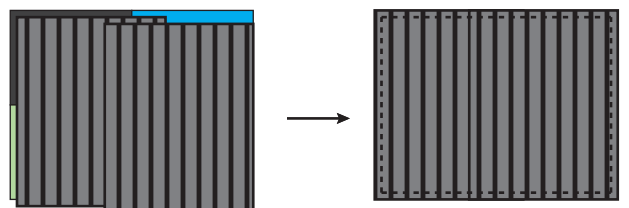

Note: Use a 1/2" seam allowance unless otherwise stated.

1 Sew the (2) 14" x 18" black floral pieces, (1) 14" x 18" green dot piece, and (1) 14" x 18" blue dot piece together to create a four-patch.

2 Fold over 1/4" twice along a long edge of each 21" x 26" stripe piece. Stitch each piece to keep the hems in place.

3 Lay the four-patch right side up and the two hemmed stripe pieces on top right sides down, overlapping the hemmed edges and matching the raw edges around the outer edge. Pin to secure.

4 Stitch around the outer edge, slightly rounding the corners. Turn right side out and stuff with the dog bed.
