MAKING THE BLOCKS

Block A

1 Sew 2" x 42" white tonal strips lengthwise to both sides of a 6-1/2" x 42" navy small print strip. Crosscut into (12) 2" segments.

2 In the same manner, sew 2" x 42" navy small print strips lengthwise to both sides of a 6-1/2" x 42" red/white large daisy strip. Crosscut into (6) 6-1/2" segments.

3 Sew (2) segments from step 1 to opposite sides of a segment from step 2 to make block A. Make a total of (6) A blocks.

Block B

1 Sew 3-1/2" x 42" white tonal strips lengthwise to opposite sides of a 3-1/2" x 42" red small floral strip. Crosscut into (12) 3-1/2" segments.

2 Sew 3-1/2" x 42" red small floral strips lengthwise to opposite sides of a 3-1/2" x 42" white tonal strip. Crosscut into (6) 3-1/2" segments.

3 Sew (2) segments from step 1 to opposite sides of a segment from step 2 to make a B block. Make a total of (6) B blocks.

ASSEMBLY

1 Referring to the quilt photo, lay out the A blocks and B blocks in (4) rows of (3) blocks each. Sew the blocks into rows and join the rows.

2 Measure the quilt widthwise across the center and cut (2) 1-1/2" x 42" blue tonal strips and (2) 3-1/2" x 42" white/red/blue small print strips to that length. Measure the quilt lengthwise across the center and cut (2) 1-1/2" x 42" blue tonal strips to that length. Fold each blue tonal strip in half lengthwise right sides together to create a flange. Pin the shorter blue flange strips to the top and bottom of the quilt, and the longer blue flange strips to the sides, matching raw edges. Position a white/red/blue small print strip on top of the top and bottom flanges and stitch in place. Measure the quilt lengthwise, including the borders just added, and cut the remaining 3-1/2" x 42" white/red/blue small print strips to that length. Add the side border in the same manner.

3 Measure the quilt widthwise across the middle and cut (2) 7-1/2" x 42" blue/red/white medium daisy strips to that length. Sew to the top and bottom of the quilt. Cut a 7-1/2" x 42" blue/red/white medium daisy strip in half crosswise and sew each half strip to a full strip. Measure the quilt lengthwise across the middle, including the borders just added, and cut (2) strips to that length. Sew to the sides of the quilt.

FINISHING

Layer the quilt top with the backing and batting and quilt as desired. Use the (6) 2-1/2" x 42" red tonal strips to bind the quilt.
